## 5. Take a digital photograph of each child (optional)

Parents usually prefer to have their child's photograph printed on the reverse of the cards, but if it is difficult for your organisation to obtain a digital photograph of each child then this feature may be excluded.

### Getting the best results

To achieve the best photographs we recommend that you place a large white board, or a large sheet of white paper behind the children before taking their photograph with a digital camera.

Example images are detailed below:

### Saving the images

Please send the children's images to us by email or contact us for a secure link to our dropbox.. It would help us with processing if you are able to save the images with the child's name and child's code (from the class register detailed in item 3), for example:

Class A	Class B	Class C
A01_lucy_hazell.jpg	B01_eleanor_sheerin.jpg	C01_conor_harris.jpg
A02_mia_richards.jpg	B02_samuel_dunhill.jpg	C02_thomas_weston.jpg
etc	etc	etc

# Greetings Card Art Projects

- a great fundraising idea for your school or nursery

no cost involved other than posting the artwork back to us

no obligation to purchase any cards unless the parents choose to place an order

every pupil will receive a free personalised card featuring their artwork to keep

## Modern Contemporary Card Design

The cards are a modern and contemporary square design. The insides of the card are blank so that a personal message may be hand written - alternatively for a charge you may have your own message. The child's name and the artwork title is printed on the reverse along with the option of an image of the artist.

## Running a Little Paintbox Art Project is easy!

### 1. Register your organisation and your project dates

Please register your school details and project dates with Little Paintbox so that we can schedule some time to process your cards. You can register your project online at [www.littlepaintbox.com](http://www.littlepaintbox.com), or alternatively, email or call us on 01359 233342

### 2. Register the children participating in the project

A class register is to be completed for each class of children participating in the project. You can download a spreadsheet from our website to complete and return to us BY EMAIL – this is required digitally to make up the cards

#### Class Register – please complete one form for each class

Your Organisation Name: St Joseph's RC School

Form Teacher: Mr Bradshaw Form Number: 2B

Class code A (Create a code for each class A, B, C, etc)

A01 Lucy Hazell

A02 Mia Richards

A03 Andrew Chalmers

A04 Abdul Khan

### 3. Prepare the paper for the artwork

As the Little Paintbox cards are a contemporary square shape, the artwork must be produced on A4 paper that has been folded 9cm from the top of the page to create a square that is roughly the same shape as the cards. Clearly print the child name, artwork title and child code in the area above the fold, and create the artwork in the area below the fold.

Draw a line 9cm from the top of the paper

Fold paper so pencil line is on the inside of the fold

Print the child code, child name, and artwork title in the blank area above the fold

## Running a Little Paintbox Art Project is fun for the children!

### 4. Create the artwork

Children of all ages enjoy participating in the art projects that may be themed around the national curriculum, seasonal times of the year, or topics of the child's choice.

#### Materials that work well:

Crayons, felt tips, pastels, poster paints, acrylics, or watercolours.

#### Materials that don't work well:

Pencil and glitter.

Here are some examples of artwork produced on previous art projects:
