

Little Paintbox Gift Projects

- a great fundraising idea for your organisation

no cost involved other than posting the artwork and orders back to us

no obligation to purchase any items unless the parents choose to place an order

every pupil will receive a proof featuring their design with an order form on the reverse for each parents individual order.

Eco-friendly Personalised Canvas Shopping Bag

Little Paintbox facilitate art projects in schools and nurseries throughout the UK, enabling children of all ages to create lovely artwork that is then used to produce high quality, personalised gifts and greetings cards.

Personalised with a pupil's unique design and message the bags are an ideal gift for family and friends, whilst helping to protect our environment and teaching children how their personal actions can make a real, positive difference.

We guarantee both children and parents will be delighted with the results!

Running a Little Paintbox Gift Project is easy!

1. Register the children participating in the project

Little Paintbox will supply an Excel class register which is to be completed for each class of children participating in the project, you can also download the class register from our website. Once completed email the register to us or return it on a cd. It is very important that the register is supplied to us in a digital format to ensure accuracy when printing the bags. Choose to have the artists name, a message or artwork title shown on the bag.

Class Register – please complete one form for each class

Class code A (Create a code for each class A, B, C, etc)

School: St Joseph's RC School

Form : 2B

Form Teacher: Mr Bradshaw

| Code | Pupils Name | Name on bag | Artwork Title/Message |
|------|-----------------|-------------|-----------------------|
| A01 | Lucy Hazell | Lucy | my hands |
| A02 | Mia Richards | | mummy's bag |
| A03 | Andrew Chalmers | Andy | merry christmas |

2. Prepare the paper for the artwork

Little Paintbox will email a blank template – this can also be downloaded from our website where we have a range of design templates that you may find useful for younger children.

The artwork needs to be produced on A4 paper that has been folded 9cm from the top of the page to create a square that is roughly the same shape as the print area. Clearly print the child code, child's name, the name to appear on the bag and the artwork title/message in the area above the fold, and create the artwork in the area below the fold.

Draw a line 9cm from the top of the paper

Print the child code, child's name, the name to appear on the bag and artwork title above the fold

3. Create the artwork

The best designs for this project are bright, bold designs that cover as much of the white space as possible with colour. Projects may be themed around the national curriculum, seasonal times of the year, or topics of the child's choice.

Materials that work well:

Crayons, pastels, felt tips, poster paints, acrylics, or watercolours.

Materials that don't work well:

Pencil, glitter and raised collage materials such as pasta and straws.

Here are some examples of artwork produced on previous art projects:
